Reviewer A:

- This article discusses the values of humanist fiqh Kyai Ahmad Rifai Arif in the development of the La Tansa boarding school.
- The main idea clarity of this article can be well understood, but gap of research has not been clearly defined.
- The author has not presented previous studies that relevant with the theme.
- Article reasonable, but not yet seen the theory used explaining the data
- There are no International journal references. Journal references min 80% and the last 5 year.

We have reached a decision regarding your submission to JURIS (Jurnal Ilmiah Syariah), "Humanist Fiqh Developed By KH. Ahmad Rifa'i Arief Banten Indonesia".

Our decision is: Revisions Required

1. see the reviewer's comments and immediately revised
 2. We only receive authors that consist of minimum two different countries (should be international collaboration)
 3. The references should use at least 40 references, with 80% from the latest publication (2019-2023) from journal/proceeding indexing by Scopus
- Use of a tool such as Zotero, Mendeley, or EndNote for reference management and formatting, and choose style APA 7th edition style
